

| off-topic

#off-topic is for things that has nothing to do with YGG or the crypto space , for example if you wanna talk ...

4. It was cumbersome since usually there were fees for everything.

Good day! We are undergraduate students researching for our thesis, which focuses on designing a sustainable M...

Respondent 5

1. Its fun playing P2E games, especially at the start and what motivates me to join is the income

2. I felt less motivated playing the game

3. I think its because of the competitive P2E players and their investment on the game, because of their competitiveness, other players cant enjoy the game the way they do

4. Its feels like a seamless enhancement unless theres too much error like network connection issues etc.

Respondent 6

1. I had a blast playing P2E as I got to both have fun and earn money

2. Didn't really affect my engagement as I stayed pretty active but the money lost was a bummer

3. Because as the genre name says its "Play-2-Earn" they do lack a bit of substance tho

4. It was, I was able to b/s assets but micro gas fees was a pain in d ass
